General Conditions of Cover

- You and your pet must be resident in the Republic of Ireland at inception of and for the the duration of this policy.
- The cover always excludes Pre-existing Conditions, pregnancy, neutering, vaccinations, cosmetic weight reduction and any treatment your vet normally recommends in preventing injury or illness.
- All new Pets must be insured initially from 8 weeks of age to 5th birthday (this applies to age at inception only)
- Pets must be vaccinated for:
 - Dogs:** Distemper, Hepatitis, Leptospirosis and Parvovirus
 - Cats:** Feline Infectious Enteritis, Feline Leukaemia, Cat Flu and Coronavirus.
 - Rabbits:** Myxomatosis, Viral Haemorrhagic Disease (VHD)
- Dentistry is covered for accident only and only if your pet has received a dental health check in the prior 12 months
- You can insure a maximum of 5 pets per policy
- You pay a Policy Excess as detailed in your Policy Schedule. Please note the additional excess payable for pets over 8 and for Select Breeds over 5.
- There is no cover under this policy for any illness or injury, death from illness or holiday cancellation costs which occur or arise within 14 days of the inception date of the period of insurance regardless of whether or not they were clinically apparent or reported.
- PetInsure.ie must be given full details of any and all prior treating vets. The absence of clinical history from your pets date of birth may result in a claim being declined. This information includes but is not limited to vaccination and microchip records and general check-ups.
- Your pet is not deemed to have been vaccinated if a full formal record is not maintained and if your pet has not been vaccinated by a registered veterinary surgeon
- For a full list of policy exclusions and terms, please read the terms and conditions carefully.
